Soviet Units in Amstria and in the U.S.S.R. **EVALUATION_** PLACE OBTAINED. DATE OF CONTENT_ DATE PREPARED 20 Februar, 1951 DATE OBTAINED 25X1 REFERENCES. PAGES. _ENCLOSURES (NO. & TYPE)_ REMARKS. This is UNEVALUATED Information 25X1 Units in Austria. 1. The 15th Tank Regt, , was stationed in Bruck (P 49/X 77) on the Leitha 25X1 River until 25 November 1950. The regimental billeting area, containing many buildings, was in a small woods southeast of the Bruck railroad stations An artillery firing range extended from this woods as far as the lake. (1) The regiment was commanded by Licutenant Colonel Ogtskazov (phonetic spelling), (fmu), and was organized into four battalions and several regimental units. (2) (3) The oldest MI of the regiment were of the 1927 class, the personnel of still older classes having been discharged. The of the 1930 class were assigned to the regiment from a training unit. It was said among soldiers that the 1931 and 1932 classes were being inducted in the U.S.S.R. (4) The most efficient of the regiment's sergeants were trained to become officers. (5) Approximately every third soldier in the 15th Tank Rogt had received training as a driver or mechanic, but the regiment had more trained drivers than motor vehicles, and the surplus drivers constituted a reserve pool. 2. The 55th Ing Regt, was quartered in large buildings on "Auf dem Feld" 25X1 near a village, a short distance from Bruck on the Leitha River. The village was a railroad terminal. The regiment trained recruits of all branches of service from the U.J.S.R. Lost of the recruits were trained with the regiment's tank battalion, which also conducted five-month courses for drivers and mechanics. (6)3. The 95th Div was engaged in maneuvers, in which the 15th Tank Regt participated, in the summer of 1950. (7) The 13th Div was known to include the 45th and 46th Mocz Regts, the 32nd Regt and the 106th Nv rank SP Regt. The 46th Necz Regt included a battalion equipped with armored vehicles of U.S. models. (3) General Dobruk, (fnu), commanding general of the 13th Div, concluded the firing practice of the summer 1950 training program with an address, stressing that all soldiers need better training and knowledge of combat doctrines. No accidents occurred during the summer exercises. (9) 25X1 CONFIDENTIAL CLASSIFICATION SEC Lo CUTROL/US OF FICTA Becument No. No Change in Class. 25 YEAR RE-REVIEW Declassified Class.
